About
Vellichor Floors

Vellichor Floors, backed by decades of experience and expertise in the hardwood flooring industry, is one of the leading manufacturers and distributors in the US. At Vellichor, our goal is to render and enhance the natural beauty of wood and bring the highest quality floors to your home so you can have peace of mind knowing your floors will last for generations

We believe that the finest wood floors can only be produced with the state-of the art equipment and greatest care. Each of our plank is carefully pre-selected, precisely milled and finished to offering unique, high quality, stylish flooring products

We carefully balance the goal of adding beauty and character to magnificent architectural structures while ensuring the preservation of our natural resources.
We only utilize wood from responsibly managed forests in Europe and the U.S., and all the adhesives and finished we use are eco-friendly

We are committed to producing flooring products that are environmentally friendly. Our products surpass the strictest health standards in the US and other countries. Vellichor is proud to have complete environmental and quality certifications, including FloorScore, CARB phase 2, EPA, FSC and ISO9001, ISO14001, CE and etc.
